## WORK EXPERIENCE

### Woolworths Metro Potts Point | Front-End Team Member

81 Macleay St, Potts Point NSW 2011  
October 2023 – Present

- Provided exceptional customer service by addressing inquiries, assisting with product selection, and resolving issues promptly, consistently improving customer satisfaction ratings.
- Collaborated with team members to maintain store cleanliness, organization, and operational efficiency.
- Managed cash registers accurately for both cash and electronic payments.
- Ensured merchandise replenishment and managed inventory levels to maintain a well-stocked and visually appealing store environment.
- Received recognition for outstanding teamwork and dedication to fostering a positive store atmosphere.

### ATMC (Australian Technical and Management College) | Academic Mentor

Level 9/540 George St, Sydney NSW 2000  
August 2023 – October 2023

- Provided subject matter expertise in IT and utilized educational technology tools to enhance virtual learning experiences.
- Demonstrated strong communication skills in explaining complex concepts to students from diverse backgrounds.
- Assessed student performance and tailored mentoring strategies to meet individual learning needs effectively.
- Assisted students in setting and tracking academic goals, resulting in improved performance and achievement.
- Proficient in teaching time management techniques to help students balance academic responsibilities.

## ACADEMIC PROJECTS

### First-Person Shooter Game (Unity)

Developed a fully functional first-person shooter game in Unity, implementing gameplay mechanics and enemy AI with C#. Created 3D models and animations for characters and environments. Collaborated on level design and gameplay balance. Presented project in academic evaluations, showcasing game development skills.

### AWS Cloud Infrastructure Deployment

Completed AWS Academy Introduction to Cloud course, mastering cloud computing concepts and AWS services. Demonstrated proficiency in creating VPC environments, configuring networking, and launching EC2 instances. Managed RDS instances for database hosting and deployed websites using Amazon S3 and AWS Route 53. Acquired practical skills in cloud infrastructure management, security best practices, and cost optimization strategies through hands-on projects. Successfully completed course assessments, showcasing competence in AWS cloud technologies.

## AWARDS AND CERTIFICATIONS

- AWS Academy Graduate - AWS Academy Introduction to Cloud Semester 1 - Amazon Web Services (AWS)  
Issued Aug 2023
- Certificate of Academic Excellence - ATMC Australia  
Issued Jul 2023
- Python (Basic) Certificate - HackerRank  
Issued Oct 2023
